Note !

To identify correct part number, check trimmer type at the end of the serial number decal.

Example of serial number; 02134N401525-2

The -2 tells it is a type 2.

02 means it was build in 2002.

The 134 means it was built on the 134th day of that year.

The 401525 is the individual serial number for that particular unit.
